Following the enactment of the *Treasury Laws Amendment (2021 Measures No. 1) Act 2021* (Cth) which permits companies to hold their Annual General Meetings (**AGM**) using one or more technologies, as such, the Board has decided to hold the 2025 AGM as a virtual meeting in which Shareholders will be able to participate in the AGM online. Accordingly, there will be no physical venue for Shareholders to attend.

For the purpose of conducting the 2025 AGM virtually, the Board has elected to use the Computershare meeting platform which enables Shareholders to:

- (a) view the AGM presentation materials and listen to the AGM live;
- (b) vote online during the AGM; and
- (c) ask questions and make comments online during the AGM when reasonably appropriate.

In the event of a technological failure that prevents Shareholders from having a reasonable opportunity to participate in the AGM, the Company will provide an update on its website and the ASX platform to notify Shareholders of the details of the postponed or adjourned AGM.

Further, ASX Listing Rule 14.4 provides that a director (other than one managing director) appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting of the company.

RESOLUTION 4 - RATIFICATION OF PRIOR ISSUE OF SHARES UNDER AMENTCO ACQUISITION UNDER LISTING RULES 7.4

Background

On 26 April 2024, Austco announced that it had entered into a Share Purchase Agreement with Amentco Enterprise Group Ltd (**Amentco**) to acquire 100% of the shares in Amentco, a healthcare and security solutions provider and a Certified Austco Nurse Call reseller (**Amentco Acquisition**).

The purchase price for the Amentco Acquisition was the following:

- (a) upfront cash payment (subject to adjustments) of \$5m (**Upfront Payment**);
- (b) the issue of 10,256,410 Shares in May 2024 at an issue price of \$0.195 per share, being the 30 day VWAP of Austco two business days before completion; and
- (c) an earnout amount (**Earnout Amount**) calculated on the average FY24 EBITDA and FY25 EBITDA of Amentco multiplied by 3.5 times less the Upfront Payment.

Please refer to the Company's ASX Announcements dated 21 February 2024 and 26 April 2024 for further details of the Amentco Acquisition.

The Earnout Amount was paid 23 September 2025 comprising \$5,026,141 in cash and the issue of 9,180,165 Shares at an issue price of \$0.365 per share, being the 30 day VWAP of Austco two business days before the payment date. These Shares were issued on 23 September 2025 pursuant to the Company's placement capacity under Listing Rule 7.1.

Please refer to the Company's ASX Announcements dated 23 September 2025 for further details of the Amentco Earnout Amount.

Regulatory Considerations

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Amentco Acquisition Shares does not fit within any of the exceptions to Listing Rule 7.1 as set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rules 7.1 for a 12 month period for following the date of issue of those Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Amentco Acquisition Shares.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Amentco Acquisition Shares issued under Listing Rule 7.1.

Information required by Listing Rule 14.1A

If Resolution 4 is passed, the Amentco Acquisition Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over a 12 month period for Listing Rule 7.1 following the date of issue of those Shares.

If Resolution 4 is not passed, the Amentco Acquisition Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over a 12 month period for Listing Rule 7.1 following the date of issue of those Shares.

RESOLUTION 5: APPROVAL OF AUSTCO INCENTIVE PLAN

The Company established an employee share option plan, the material terms of which are set out below (**Incentive Plan** or **Plan**), which obtained shareholder approval and was adopted at the annual general meeting of the Company held on 28 November 2022.

The main aim of the Incentive Plan was to provide an additional incentive to Eligible Persons (being Directors and other officers, employees, contractors and consultants of the Company and its subsidiaries) to provide dedicated and ongoing commitment and effort to the Company and to reward its Directors and other officers, employees, contractors and consultants for their efforts.

Resolution 5 seeks shareholder approval for the renewal of the Incentive Plan in accordance with ASX Listing Rule 7.2 (Exception 13) so as to allow the Company to issue securities under the Plan without prior shareholder approval, and in reliance on the exception to ASX Listing Rule 7.1.

Regulatory Considerations

ASX Listing Rule 7.1 places certain restrictions on the extent to which a listed company may issue certain securities, including options. The effect is that Shareholder approval is required before the Company may issue certain securities representing more than 15% of its issued capital in any 12 month period. However, certain issues are exempt from the restrictions of ASX Listing Rule 7.1, and are effectively disregarded for the purposes of determining the number of securities that a company may issue within a 12 month period.

Exempt issues include an issue of securities to persons participating in an employee incentive scheme (including the Plan) where shareholders have approved the issue of securities under the scheme as an exemption from ASX Listing Rule 7.1. Shareholder approval must be given in a general meeting held not more than 3 years before the date of issue, where the notice of meeting contains, or is accompanied by, certain prescribed information (set out below) (Exception 13 of ASX Listing Rule 7.2). As the Incentive Plan was approved in 2022, the Company seeks shareholder approval for the renewal of the Plan at the AGM.

In order to take advantage of the exemption from ASX Listing Rule 7.1, and allow the Company flexibility to issue securities, shareholders are requested to approve the issue of securities under the Incentive Plan as an exemption from ASX Listing Rule 7.1. This approval will be effective for a period of 3 years from the date of the Resolution.

Since 28 November 2022, the date on which the Incentive Plan was last approved by shareholders, the Company has issued 8,098,218 securities under the Plan in reliance on ASX Listing Rule 7.2 (Exception 13).

It should be noted that Resolution 5 does not approve the issue of any securities to any Director of the Company.

Summary of the Incentive Plan

The Austco Incentive Plan is governed by the Plan Rules.

Set out below is a summary of the Plan Rules and the full Plan Rules may be found on the Company's website at https://austcohealthcare.com/documents/corporate-governance/AHC_employee-share-option-plan.pdf.

- (a) **(Options and Performance Rights)** Under the Plan, a Performance Right is a right, subject to the terms and conditions of the Plan Rules, to subscribe or apply for and acquire fully paid ordinary shares in the capital of the Company ("Share") and similarly an Option is a right, subject to the terms and conditions of the Plan Rules, to subscribe or apply for and acquire fully paid ordinary Shares.
- (b) **(Eligible Person)** Persons eligible to participate in the Plan are, in relation to the Company and applicable subsidiaries, full-time or part-time employees, executive and non-executive Directors, contractors and casual employees (provided that they are or might reasonably be expected to be engaged to work pro-rata equivalent of 40% or more of a comparable full-time position). Each such person who participates in the Plan is hereinafter referred to as a Participant.
- (c) **(Determination to Participate)** The Board may at its discretion determine the number of Options or Performance Rights to be offered to Eligible Persons and, subject to the Plan Rules, the terms and conditions applicable to such Options or Performance Rights. A summary of the significant terms of the Plan, which have not been varied since last approved, follows:
- (d) **(Exercise or Vesting of Performance Rights or Options)** A Participant's Performance Rights or Options may only be vested or exercised (respectively, as applicable), allowing such Participant to then acquire Shares, if the Performance Right or Option has not lapsed in accordance with the Plan Rules and any Exercise Conditions or Vesting Conditions, and any other relevant conditions attaching to the Performance Right or Option have been satisfied or waived.
- (e) **(Exercise Price)** An Option may only be exercised by a Participant if the Participant lodges with the Company a duly signed and completed notice of exercise, together with payment of the Exercise Price for the Options being exercised. The exercise price means an amount determined by the Board as the subscription price per Share prior to the offer of the Option in accordance with the Plan payable by a Participant on exercise of the Option.
- (f) **(Vesting Conditions)** A vesting condition means a condition (excluding an Exercise Condition) determined by the Board relating to a Performance Right which must be satisfied or waived before a Performance Right can vest, and may include certain performance hurdles as determined by the Board.
- (g) **(Issue of Shares)** Upon the vesting or exercise of a Performance Right or Option (as applicable), the Company must issue or allocate to, or procure the transfer to, the Participant such number of Shares in respect of which Performance Rights or Options have been vested or exercised (as applicable). The Company will apply for quotation of Shares issued under the Plan within fifteen (15) business days of the date of allotment.
- (h) **(Restrictions on disposal)** The Board may in its sole and absolute discretion impose a restriction on the disposal of Shares converted on the exercise or vesting of the Performance Right or Option (as applicable) for a period of up to seven (7) years from the date of grant.
- (i) **(Limitations on Issues)** The Plan has been prepared to comply with ASIC Class Order [CO14/1000]. As such, offers under the Plan that are made in reliance on the Class Order are limited to the 5% capital limit set out in the Class Order.

- (j) **(Consideration)** Unless otherwise determined by the Board, no payment is required for the grant of the Performance Rights or Options under the Plan.
- (k) **(Not transferrable)** Performance Rights or Options granted under the Plan are not transferable and must not be encumbered or otherwise dealt with by a Participant, unless the Board determines otherwise.
- (l) **(Early Cessation of Employment)** Unless otherwise determined by the Board:
 - (i) where an Eligible Person ceases to be an employee of the Company before a Performance Right or Option has vested or becomes capable of being exercised (as applicable) by reason of his or her death, disability, bona fide redundancy or any other reason approved by the Board and at that time the Eligible Person continues to satisfy any other relevant conditions attaching to the Performance Right or Option, the Board will have the discretion to allow some or all of the Performance Rights or Options to vest or be exercised (as applicable) or otherwise lapse.
 - (ii) if the Eligible Person ceases to be an employee of the Group for any other reason or ceases to satisfy any other relevant conditions attaching to the Performance Right or Option, all Performance Rights or Options held by the Participant will lapse, unless otherwise determined by the Board.
- (m) **(Reconstructions)** In the event of any reconstruction of the share capital of the Company, the number of Shares to which each Participant is entitled and/or the exercise price of those Performance Rights or Options must be reconstructed in accordance with the ASX Listing Rules. Performance Rights or Options must be reconstructed in a manner which will not result in any additional benefits being conferred on Participants which are not conferred on other Shareholders of the Company.
- (n) **(Bonus Issues and New Issues)** Holders of Performance Rights or Options issued under the Plan may only participate in new issues of securities by the Company if they have first exercised their Performance Rights or Options within the relevant exercise period and become a shareholder of the Company prior to the relevant record date and are then only entitled to participate in relation to Shares of which they are the registered holder. If there is a bonus issue the number of Shares over which a Performance Right or Option can be exercised will be increased by the number of Shares which the holder would have received if the Performance Right or Option had been exercised before the record date for the bonus issue.
- (o) **(Security Interests)** Without approval from the Board, Participants shall not grant any security interest in or over or otherwise transfer or deal with any Performance Right or Options or any interest therein, and any such security interest, transfer or dealing will not be recognised in any manner by the Company.
- (p) **(General)** The Plan Rules also contain customary and usual terms having regard to Australian law for dealing with administration and costs of the Plan.

Although Directors are eligible to be offered Performance Rights and Options under the Plan, this requires specific shareholder approval due to the requirements of the ASX Listing Rules and the *Corporations Act 2001* (Cth).

Information required by Listing Rule 7.2

In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the Company provides the following information:

- (a) a summary of the material terms of the Plan is set out above;
- (b) Since the Incentive Plan was last approved by shareholders, the Company has issued 8,098,218 securities under the Plan in reliance on ASX Listing Rule 7.2 (Exception 13).
- (c) the maximum number of Performance Rights and Options proposed to be issued under the Plan following approval of the Plan will be no more than 5% of the issued capital of the Company (on a fully diluted basis), which is an aggregate total of 18,278,556 securities on the basis of the current issued capital of the Company; and
- (d) a voting exclusion statement has been included in this Notice for the purposes of this Resolution 5.

Information Required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of the securities under the Plan without using up any of the Company's 15% annual placement capacity, for a period of 3 years from the date of the Resolution.

If Resolution 5 is not passed, the Company will not have the flexibility to issue securities under the Plan as an exemption from ASX Listing Rule 7.1, and any issue of securities to a person who would have been eligible to participate in the Plan will use up the relevant proportion of the Company's 15% annual placement capacity.

Recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of Resolution 5.

The Chairman of the AGM intends to vote all available proxies **in favour** of Resolution 5.

RESOLUTION 6: APPROVAL OF ISSUE OF PERFORMANCE RIGHTS TO MR CLAYTON ASTLES UNDER THE AUSTCO INCENTIVE PLAN

Background

The Company established the Incentive Plan referred to in Resolution 5 which obtained shareholder approval at the annual general meeting of the Company held on 28 November 2022.

The Company has agreed to issue 632,649 performance rights ("**Performance Rights**") to Mr Clayton Astles, Chief Executive Officer and a Director of the Company, pursuant to the Plan. The agreement to issue Performance Rights to Mr Astles was made conditional upon the Company obtaining the approval of Shareholders in accordance with the Listing Rules.

These Performance Rights are intended to provide a long-term incentive and align Mr Astles' interests with those of the Shareholders, in seeking to maximize the value of the Company.

The Company is seeking Shareholder approval of the issue of Performance Rights to Mr Astles, who is an Eligible Person under the Plan.

Regulatory Considerations

Listing Rule 10.14 provides that a company must not permit a Director to acquire securities under an employee incentive scheme without the prior approval of holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring Shareholder approval under Listing Rule 10.11.

Subject to determination by the Board, each Director is entitled to participate in the Incentive Plan. The Board has determined that Mr Astles will be granted 632,649 Performance Rights subject to Shareholder approval and the terms of the Plan.

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit (which includes the grant of Performance Rights) to a related party (which includes a director and former director) of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions set out in sections 210 to 216 of the Corporations Act; or
- (b) prior Shareholder approval is obtained for the giving of the financial benefit in the manner set out in sections 217 to 227 of the Corporations Act and the benefit is given to the related party within 15 months following such approval.

Directors are considered to be related parties within the meaning of the Corporations Act.

For the purposes of Chapter 2E of the Corporations Act, Mr Clayton Astles is a related party of the Company, and the grant of Performance Rights to Mr Astles (on an unconditional basis) will constitute the giving of a financial benefit by virtue of being a Director of the Company.

It is the view of the Directors (other than Mr Astles due to his material personal interest in the Resolution) that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the grant of the Performance Rights, reached as part of the remuneration package for Mr Astles, is considered to be reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Consistent with ASX Listing Rule 10.15.5, a total of 2,131,874 Performance Rights have been issued (or agreed to be issued) for nil consideration to Mr. Clayton Astles under the Plan (including the 632,649 Performance Rights proposed under this resolution).

No other Securities were issued under the Plan since the previous Shareholder approval.

In accordance with ASX Listing Rule 10.15.6, the Directors attribute a value to the Performance Rights based on the following assumptions:

- (a) 632,649 Performance Rights are exercisable at nil consideration;
- (b) the Performance Rights are to be exercised on or before 29 September 2028, subject to the vesting conditions in accordance with the Company's Performance Rights Plan (the vesting of the Performance Rights will be subject to the continuous employment of Mr Clayton Astles); and
- (c) assumed share price at grant date of \$0.37.

The assessed fair value at issue date of the Performance Rights granted to Mr Clayton Astles under Resolution 6 is allocated equally over the period from the issue date to the end of the performance period.

The issue of Performance Rights is contingent upon this approval. Subject to approval of Shareholders of the Company, the Performance Rights will be unconditionally issued to Mr Astles as soon as possible following the date of this Annual General Meeting, but in any event within 12 months from the date of the Annual General Meeting.

There is no intention for the Company to grant a loan in relation to the Performance Rights.

In accordance with ASX Listing Rule 10.15.11, it is noted that:

- (a) details of any Performance Rights issued under the Plan will be published in the Annual Report relating to the period in which the Performance Rights were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
- (b) any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Plan after the resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.

Information Required by Listing Rule 14.1A

If Resolution 6 is passed, the Company will be able to proceed with the issue of the Performance Rights to Mr Astles under the Plan. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr Astles under the Plan and may need to renegotiate alternative forms of remuneration with the relevant Director, which may require additional funds and have an effect on the Company's available cash position.

Voting Exclusion

A voting exclusion statement for Resolution 6 is contained in the Notice of Meeting.

Recommendation

The Directors (other than Mr Astles who abstains from making any recommendation in relation to this Resolution, due to a material personal interest in the subject matter of the Resolution) recommend that Shareholders vote in favour of Resolution 6.

The Chairman of the AGM intends to vote all available proxies in favour of Resolution 6.

RESOLUTION 7: APPROVAL OF ADDITIONAL PLACEMENT CAPACITY UNDER ASX LISTING RULE 7.1A

Background

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**").

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice of Meeting, an eligible entity for the purposes of ASX Listing Rule 7.1A as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$134.3 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 16 September 2025).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities. As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: AHC).

The Company is seeking Shareholder approval by way of a Special Resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 7

will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the period up to 12 months after the Meeting (“**10% Placement Period**”) without using the Company’s 15% placement capacity under ASX Listing Rule 7.1 or obtaining the prior approval of Shareholders.

The Company is not currently contemplating the utilisation of this additional capacity under ASX Listing Rule 7.1A if approved by Shareholders, as the Company does not anticipate the need to raise additional funds for its current operations and organic growth opportunities. The Company is seeking Shareholder approval of Resolution 7 for the purpose of ensuring the Company has the ability to raise sufficient capital to fund any specific strategic and inorganic growth opportunities that are brought to the attention of or actively sought by the Company.

If Shareholders approve Resolution 7, the exact number of Equity Securities that may be issued by the Company under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (see below).

If Resolution 7 is not passed, the issue of the Equity Securities under the 10% Placement Facility will be included in calculating the Company’s 10% limit, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

Resolution 7 is a Special Resolution and therefore requires approval of 75% of the votes cast by Shareholders’ present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

ASX Listing Rule 7.1A

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a Special Resolution at an annual general meeting.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of this Notice of Meeting, has on issue one class of quoted Equity Securities, being fully paid ordinary shares.

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of Shares on issue at the commencement of the 12 month period immediately preceding the date of issue or agreement (“**Relevant Period**”):

- (a) plus the number of fully paid Shares issued in the Relevant Period under an exception in ASX Listing Rule 7.2, other than exception 9, 16 or 17;
- (b) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within rule 7.2 exception 9 where:

- (i) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved under rule 7.1 or rule 7.4;
- (c) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under the ASX Listing Rules 7.1 or 7.4 to have been approved;
- (d) plus the number of fully paid Shares issued in the Relevant Period with approval under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without shareholder approval;
- (e) plus the number of partly paid Shares that became fully paid in the Relevant Period;
- (f) less the number of fully paid Shares cancelled in the Relevant Period.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued under or agreed to be issued under ASX Listing Rule 7.1A.2 in the Relevant Period where the issue has not been subsequently approved by Shareholders under ASX Listing Rule 7.4.

ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 374,751,281 ordinary shares and has a capacity to issue:

- (a) 45,655,502 Equity Securities under ASX Listing Rule 7.1 (or 56,212,692 if resolution 4 is passed); and
- (b) subject to Shareholder approval being obtained under Resolution 7, a further 37,475,128 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer above).

Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 ASX trading days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, which sets out a number of matters that must be included in a notice of meeting seeking approval under ASX Listing Rule 7.1A, the following information is provided:

- (a) the period for which Shareholder approval of the 10% Placement Facility will be valid is the 10% Placement Period, being the period commencing on the date of the Annual General Meeting at which approval is obtained, being 29 October 2025, and expiring on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 29 October 2025;
 - (ii) the time and date of the entity's next Annual General Meeting; or
 - (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature and scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 ASX trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under the 10% Placement Facility may be used by the Company include:
 - (i) consideration to raise funds for the continuation of the current business operations of the Company and/or general working capital; or
 - (ii) consideration for the development of current assets and/or the acquisition of new assets or investments (including the expenses associated with such acquisition).

The table below also shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable

“A” calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Meeting.

The table also shows:

- (i) two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placement under ASX Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable “A” in ASX Listing Rule 7.1A.2		Dilution		
		50% decrease in Current Issue Price \$0.1825	Current Issue Price \$0.365	100% increase in Current Issue Price \$0.73
374,751,281 Current Variable “A”	10% Voting dilution	37,475,128 Ordinary Shares		
	Funds raised	\$6,839,211	\$13,678,422	\$27,356,843
562,126,921 50% increase in current Variable “A”	10% Voting dilution	56,212,692 Ordinary Shares		
	Funds raised	\$10,258,816	\$20,517,633	\$41,035,265
749,502,562 100% increase in current Variable “A”	10% Voting dilution	74,950,256 Ordinary Shares		
	Funds raised	\$13,678,422	\$27,356,843	\$54,713,687

The table has been prepared on the following assumptions:

- The current issue price is \$0.365, being the closing price of the Company's Shares on the ASX on 16 September 2025.
- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- The 10% dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of ordinary shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

Timing of potential issue

The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).

Purpose of potential issue

The Company seeks to issue the Equity Securities for cash consideration and intends to use the funds raised for capital expenditure, inventory and receivables and general operating expenses in the Company and its subsidiaries.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) upon issue of any Equity Securities.

Allocation Policy under 10% Placement Facility

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the purpose of the issue;
- (b) alternative methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (c) the effect of the issue of the Equity Securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company;
- (e) the prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous approval under Listing Rule 7.1A

For the purposes of ASX Listing Rule 7.3A.6 the following information is provided:

The Company obtained Shareholder approval for the 10% Placement Capacity at its 2024 Annual General Meeting.

No Equity Securities were issued under 7.1A.2 in the past 12 months preceding the date of the Annual General Meeting. **Listing Rule 7.1A.4**

When the Company issues Equity Securities pursuant to the 10% Placement Facility, it must:

- (a) state in its announcement of the proposed issue under Listing Rule 3.10.3 or in its application for quotation of the Equity Securities under Listing Rule 2.7 that the Equity Securities are being issued under Listing Rule 7.1A; and
- (b) give to ASX immediately after the issue a list of names of the persons to whom the entity issued the Equity Securities and the number of Equity Securities issued to each (not for release to the market).

Voting Exclusion

A voting exclusion statement is included in the Notice of Meeting. As at the date of the Notice of Meeting, the Company has not approached any existing Shareholder or security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' Recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of Resolution 7.

OTHER MATTERS

The Directors are not aware of any other information that:

- (a) is reasonably required by members in order to decide whether it is in the Company's interests to pass each of the proposed Resolutions; or
- (b) is known to the Company or to any of its Directors that has not previously been disclosed either direct to members or generally to the market in accordance with the Company's continuing disclosure obligations under the ASX Listing Rules.
